

Student Organizations and Activities

The School encourages its students to be active in student chapters of professional organizations. The School will sponsor local chapters in areas related to students' majors. If a student is interested in establishing a student organization, which is not already available on campus, the student should provide a written request to the Campus President. If enough student interest exists, the institution will sponsor the chapter.

The local area offers diverse opportunities for student recreation and social activities. The School may sponsor extracurricular activities in accordance with the student interest. Student suggestions for additional activity should be provided to the Campus President.

Being a team player is part of a work environment in today's economy. Therefore, students interested in specific activities will be given the responsibility to help organize and help carry out such extracurricular activities with the assistance of the School for approved activities.
