

### **PROGRAM LICENSURE RATES FOR GRADUATES**

Annually, the institution reports licensure rates for programs where certification, licensure, or registration based upon an industry-recognized examination is required to become employed in the State of Pennsylvania. This data is reported for the most recently completed year (July 1, 2022 through June 30, 2023 on the institution's Annual Report as required by the institution's accrediting body, the Accrediting Bureau of Health Education Schools (ABHES).

The licensure pass rate for each program where licensure is required for employment as reported on the most recent ABHES Annual Report is listed below.

The licensure required for the Nursing program is the NCLEX®-PN examination developed and administered by the National Council of State Boards of Nursing (NCSBN).

<b>Program Name</b>	<b>Licensure Pass Rate <sup>(1)</sup></b>
Practical Nursing	100%

The credentialing rates are based upon the following formula:

$$\text{GP/GT} = \text{Examination Pass Rate}$$

**GP= Total graduates passing examination (any attempt)**

**GT= Total graduates taking examination**

$$\text{Examination Pass Rate} = \text{Percentage of students passing examination}$$

Information on first-time licensure pass rates is maintained and disclosed by the Pennsylvania State Board of Nursing, and the program(s) are required to meet separate applicable standards of that agency. Additional information can be found at [www.dos.pa.gov/nurse](http://www.dos.pa.gov/nurse).

Licensure rates were current at the time of publication. For the most current rates of for other licensure information, contact the campus.
